Designed to provide companies with maximum exposure, convenience, and value, the Chamber Partners in Business Program is for those looking for a higher level of membership. Its purpose is to eliminate the repetitive solicitation of funds necessary to carry out the many special events and programs offered throughout the year by contacting a sponsor *only once*. This allows the Chamber to continue to offer the high-quality events you have come to expect by providing an advanced funding foundation.

MAXIMUM EXPOSURE

- Partners are acknowledged on all promotional materials throughout the year.
- We have special signage displayed at events and the Chamber office featuring our partners in business.

MAXIMUM CONVENIENCE

- No more overlooked mailings or pressing deadlines. Sign up now and know your company's spot will be reserved at all our major events.
- Billed annually, this program evens out your cash flow and aids in your budget planning.

Most partnership levels include annual membership investment in addition to sponsorship signage at events and the Chamber office.

HURRY - the program begins the first of January!

Take advantage of these extra benefits.
